

## MINISTRY OF CIVIL SERVICE

### POSITION DESCRIPTION

#### Overview of the Ministry

The Ministry of Civil Service was established in 2016 under the civil service reforms to replace the former Public Service Commission Ministry. The role of the Ministry of Civil Service is to broadly support the devolution of Constitutional responsibilities to Ministries while maintaining some central coordination and consistency across the Civil Service. Its focus is to attain a modern and high performing civil service that is responsive to the priorities of the Fijian Government.

#### Particulars of the position

<b>Role:</b>	<b>Consultant Emergency Medicine/GOPD</b>
<b>Level:</b>	MD01
<b>Salary range:</b>	\$136,735.00 - \$147,040.88 (MOCA A)
<b>Location:</b>	Lautoka
<b>Division:</b>	Lautoka Hospital
<b>Reports to:</b>	Medical Superintendent
<b>Subordinates:</b>	All staff in Emergency Medicine and GOPD

#### Overview of the Lautoka Hospital

The Lautoka Hospital provides a comprehensive range of curative, primary and preventative health service to the residents of the Western Division and is the main tertiary referral centre for the Division. In addition, the Hospital provides clinical teaching facilities and support for national, regional and international students for undergraduate and postgraduate training of the Fiji National University [FNU] and the University of Fiji [UoF].

#### The Position

The position supports and assists the Medical Superintendent in the provision of high quality Emergency Medicine and General Outpatient services, consistent with the values of the Ministry of Civil Service and the Ministry of Health and Medical Services.

#### Key Duties

The position will achieve its purpose through the following key duties.

1. Provide leadership to promote the interest and development of the unit through strategic planning, ensuring cohesion of the overall functions of the unit by working effectively with internal and external stakeholders and maintain positive interpersonal relationships.

2. Undertake clinical responsibilities in the hospital and on outreach, by being actively involved in patient care, available for consultation and liaison with other units and referring hospitals, maintaining appropriate records and confidentiality, to ensuring best practice care to obtain best possible outcomes whilst promoting and maintaining client focus.
3. Lead in peer reviews, monitor and evaluate activities of Unit plans to ensure corrective measures are undertaken to provide effective and efficient services.
4. Responsible for medical reports & medico-legal assessments and provision of expert opinion.
5. Identifying and minimising risk at a systematic level through effective communication and management skills to contribute to improved clinical governance.
6. Undertake education, teaching and research activities to train, coach, mentor and support staff, students and other stakeholders; be responsible for personal continuous professional development and be a health advocate.

### **The Person**
